

## **THURSDAY, 8th November 2018: Detailed Course plan**

### **Silvia Reichert, Cool stuff for boys:**

Easy figures, perfect for linework: airplane, helicopter, dinosaur, pokeball, laser gun, dolphin, snake, ball with three colors, various swords

### **Colin Myles, Circus Themed Balloon Hats:**

Join Colin in this fun class to learn different way of making balloon hats, you will go away from this class with your very own unique hat that you can wear during the jam!

### **Phileas Flash, The Face of Holidays to Come:**

It's the most wonderful time of the year (because it's time to turn your balloons into some amazing faces)! In this fun-filled class, Phileas Flash revisits his famous Face of Things to Come series with some new twists on old classics, just in time for the holiday season. From Christmas elves to Halloween Witches this class is the gift that keeps on giving. So, hang up your stocking and grab your Easter bonnets, because it's time to put a big smile on your face. In this course you will learn large sculpture techniques (suitable for intermediate to advanced twisters).

### **Verena Bockholt, Decor for B-Days (children's parties) and weddings:**

In her decor class, Verena wants to show you thematic decor ideas for various occasions where she combines classic decor elements with twisting elements. This creates unique decors that are still easy to build with one person. Part of the workshop will concentrate on events like weddings, the other part on events with children, e.g. kindergarten festivals or kids parties.
